

PHARMACIES

In order to buy a medicine, you need to bring a prescription of an Italian doctor (see the section of Healthcare System)

unless you need just aspirins or a general analgesic.

The pharmacy that is closest to ECT* is in Villazzano (Via Tambosi 2, tel. 0461/921218)

On Sundays and official holidays, just one pharmacy in each area remains open, and this is done on a rota-basis. Information should be posted on the door of your local neighbourhood pharmacy indicating where to go during these days. In alternative, check
