

HEALTH CARE

- ***If you come from a EU country:***

Please contact the Health Care System in your home country to see if you can get either the **NEW E111** form or the **Health Care European Card** or its substitute certificate (http://ec.europa.eu/employment_social/healthcard/index_en.htm)

in order to transfer temporarily your health care position from your country to Italy. In this way, you can enroll to the Italian Health Care System and eventually ask for a family doctor (see the list below) contacting the ASL offices (www.asl.tn.it).

ASL (*ufficio anagrafe*)-Viale Verona-bus # 3, 8, 13:

- Monday, Wednesday, Friday 8.30-12.30
- Tuesday, Thursday 8.30-15.30 (no lunch break)

- ***If you come from a NON-EU country:***

We suggest you to get a health insurance policy that is valid in Italy. In addition to that:

- If you are in Italy for work, you can benefit of the Italian Health Care System whose fee is included in the taxes that you automatically pay. All you need to do is submitting the required documentation to the ASL offices (www.asl.tn.it) and eventually ask for a family doctor (see the list below)
- If you are in Italy for study, you can benefit of the Italian Health Care System paying a **yearly fee** (around 150 euros), and submitting the required documentation to the ASL offices (www.asl.tn.it) where you can eventually ask for a family doctor (see the list below)

ASL (*ufficio anagrafe*)-Viale Verona-bus # 3, 8, 13:

- Monday, Wednesday, Friday 8.30-12.30
- Tuesday, Thursday 8.30-15.30 (no lunch break)

- To make an appointment with a **specialist doctor**, call CUP (**848816816**) from 8 to 4.30 pm (not available at week-ends). If you need help with your Italian, please do not hesitate to ask somebody of the staff
- If you need urgently a **visit at night, at weekends or on a festivity day**, you can go to the “guardia medica” in Via Malta 8 (tel. 0461/915809).
- If you need to go to the **first aid**, please note that you will be assigned a “code” according to the urgency of your medical treatment. If you get a white code, you may need to wait much time for your turn. In any case, make sure that you have with you the Health care European card (hard copy + photocopy) or your private health insurance
- To call for an ambulance: dial **118**

For any information or clarification you may need, please contact:
